

ELEVATE THE BRAND

XL laser decorated tabs

XL laser decorated tabs

The tab on the can's end is not just for opening your favourite beverage, it can also be coloured and decorated for promotion opportunities. Our XL lasered decorated tab is a promotional tool that reinforces intent to purchase, gives the can its finishing touch and allows for easy identification from above.

Description & benefits

- Enlarged decoration space
- Grabs consumer's attention with icons on the tab
- Mix of icons possible to enhance the company's branding
- Extends consumers' behaviour from just drinking to collecting
- Colours: blue, black, red, green and orange
- Available for Dia 200 and 202 ends
